I have joined A.K. VIDYAMANDIR in 2010 as a Two-year programme. A.K.V helped me in solving my each and every problem. All the faculties in A.K. VIDYAMANDIR were excellent. All my teachers really helped me a lot. All the study material given by A.K.V was excellent. In A.K.V every Sunday there is a test which helps us to keep all the things in our mind which we studied in all the week. After that we have all India test series in which our all India ranking comes. By these tests one can able to know his performance. I suggest all my juniors to join A.K. VIDYAMANDIR for bright future.

IIT-JEE 2012

I would like to thank A.K. VIDYAMANDIR for my success in IIT-JEE 2012 with AIR 4299. I joined A.K. VIDYAMANDIR in class XI with 2 year class room programme & gained a lot from it. The faculty here is very dedicated towards problem solving and concept clearing of students. Regular tests helped me a lot. AITS was very helpful for giving final touch to my preparation. Regular doubt session meant for removing doubts completely. My suggestion to my juniors is to join A.K. in class XI only.

IIT-JEE 2011

Student of 1 Year Classroom Contact Programme

It is indeed a great day in my life and I find it very hard to believe that I am one of those few who are lucky enough to get selected in the IIT-JEE, and secure admission in one of the coveted IITs. It is a dream come true for me although I was always nurturing an ambition of becoming an engineer, but it becomes a reality was beyond my expectations. The entire credit for my success goes to my parents and AK Vidyamandir management both at corporate and local levels who provided me with the best of teachers in all the subjects who left no stone unturned and no plan undone to ensure my success. Comprehensive study material, regular tests and doubt clearing sessions all helped me a lot. The highly professional approach has been the key factor contributing to my success. I am also grateful to my seniors on whose strong recommendations I decided to get admission in AKV's Two year Classroom Contact programme. Now I have the same advice for my juniors to emulate my example in shaping their careers and come within the ambit of any of the AKV's Classroom Contact programme.

IIT-JEE 2011

Student of 2 Year Classroom Contact Programme

I Hemant Kumar S/o Balkrishna Mishra resident of Tibba Road, Ludhiana hereby declare that I have cleared the IITJEE held on 10th April 2011.

I want to say that despite my hard and sincere labour my coaching institute 'A.K. Vidya Mandir' provided me with all the guidelines, necessary study materials and proper classes which helped and encouraged me to complete IITJEE.

It was a time during my study for preparing IITJEE I was hopeless as I suffered from Dengue and Jaundice. At that time the institute encouraged me and provided extra classes.

Therefore, I am very thankful and obliged to 'A.K. Vidya Mandir', Ludhiana branch and I recommend the students preparing for IITJEE to join 'A.K. Vidya Mandir', Ludhiana branch which will be a key for their success.
